The Unexpected Happens. "It was an unusual situation that confronted our fox hunting club and nobody knew just what to do." "What happened?" "They unexpectedly started up a fox."

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But Black-Draught Helped Him to Recovery.

Pomeroy, Ky.—An interesting review from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and could have sick headaches so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I just had, I could not eat or sleep, and of my friends, except one, thought I would die. He advised me to try Theodore's Black-Draught, and quit

MISCELLANEOUS

Fire—At the fire of Mr. Gelsberg's house on Franklin St., we were highly complimented by many of the best citizens in the city on the Burris Shingles. The fire caught in closet and the shingles held the fire in check until the firemen arrived. If the roof had been wood it would have burned completely up and most likely Mr. Rayman Fretwell's house. Don't put it off any longer, let us recover your house and save insurance. Insurance Companies have increased insurance on wood shingles 20 per cent and decreased on our metal shingles 20 per cent. There is a reason for this. John T. Burris & Son.—12-3-11.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat Less Meat If Kidneys Feel Like Lead or Bladder Bothers.

Most folks forget that the kidneys like the bowels, get sluggish and clogged and need a flushing occasionally, else we have headache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sort of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to stimulate them to normal activity. It also neutralizes the acid in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

Trial Was Postponed Until Next Term

(By Associated Press.)
CHARLESTON, S. C., Dec. 2.—The trial of George B. Perkins, of Boston, charged with the murder of F. W. R. Hinman, of Jacksonville, Fla., which aboard the Clyde liner Mohawk, at sea, November 11, was today postponed in federal court here until the next term in Columbia, S. C., which begins January 19. This action was taken by direction of Judge Smith, who stated that in the court's opinion the condition of Perkins' mind did not justify proceeding at this time. Pending his transfer to Columbia, Perkins, it was said, would be kept here in a hospital under guard.

Perkins also is under indictment for assault and battery with attempt to kill Captain A. D. Ingram, of the Mohawk, and B. H. Wright, of Utica, N. Y., a passenger.

STOMACH TROUBLE FOR FIVE YEARS

taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for three months, and it has cured me. I haven't had those awful sick headaches since I began using it. I am so thankful for what Black-Draught has done for me. Theodore's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest. Get a package today. Only a quarter.

ELECTRIC CITY SPARKLETS

Items of Interest and Personal Mention Caught Over the Wireless on the Streets of Anderson

Congressman's Secretary Was in City Yesterday

W. W. Bradley, private secretary for Congressman Wyatt Aiken, spent a few hours in the city yesterday. Mr. Bradley did not make a statement concerning the appointment at the Anderson postoffice except that Congressman Aiken would attend to the matter at the proper time, and would make the announcement probably about the middle of the month, as the term of the present postmaster expires at that time.

A. P. Spence is Now Sole Owner

W. W. Powell, former secretary and treasurer of the Anderson Chero Cola Co. has sold out his interests to the genial and hustling president, A. P. Spence. Mr. Powell has decided to make his future home in the little city of Pigeon Forge. He made a host of friends while in Anderson who wish him well in his new home. Mr. Spence, however, believes in the slogan "You can do better in Anderson," and will continue to put on the market the drink of which Spence will tell you "there's none so good."

New Suits for Messenger Boys

The messenger boys for the Western Union Telegraph and Telephone Co. made their appearance on the streets of Anderson in handsome new uniforms and caps yesterday which added considerably to the looks of the young men, and many were the favorable comments on the alert way in which they boys moved around in their new costumes. They will be known in the future on account of the "A. D. T." on the caps, as Anderson's Delivery Terrorists.

Muddy Roads

Were No Drawback. With the roads almost impassable from the continued rains, the streets of Anderson presented a business-like scene not equalled in many larger cities under the most favorable weather conditions. With the cessation of rain, and clear, cold weather for a few days the merchants will have to crowd in extra help to wait on the crowds that will "Shop in Anderson."

CLUB MAN SLAIN BY OLD FRIEND

(CONTINUED FROM PAGE ONE.)

In a nearby room, holding herself ready to testify if called upon. When she later returned home she suffered another nervous breakdown. Before the inquest, Mrs. Carhart, saying Calloway was not a member of their party at the club last night. "He just dropped around to our table casually and had a few drinks, then left," she said. Mrs. Carhart went on to say that after they reached home she left her husband's room to go to the bathroom and as she passed along the hall she saw, through the open door of her son's room, a man fumbling in a bureau drawer. "I screamed and Mr. Carhart came to the door," she declared. "Get your pistol," I cried. Mr. Carhart then entered my son's room with his revolver and I soon heard two shots. Then he came back. 'I've killed whoever it is,' he said."

Calloway was about 38 years old and a bachelor. He was a friend of the Carhart family and had been in the latter's home many times as the guest of Louis Carhart. He was a member of the Atlanta Southern Association Baseball club, and prominent in various business affairs.

Carhart is about 150 years old, while his wife is younger.

STATE CONVENTION U. D. C. IN SESSION

(CONTINUED FROM PAGE ONE.)

Mountain chapter of the American Revolution. The afternoon session consisted of reports of various officers. "Historical Night" was observed tonight, and this proved to be one of the most interesting features of the convention. "A Plea for the Priceless," an address delivered by Rev. Dr. Howard Lee Jones of Charleston, was one of the most brilliant efforts heard during the present meeting. "Our Birthright" was the subject of an address delivered by Mrs. William H. Overman of Anderson, formerly State president of the North Carolina U. D. C. The musical selections and readings were both enjoyable features of tonight's program.

BULL MOOSERS STILL IN RING

(CONTINUED FROM PAGE ONE.)

reactionary results of the recent election. Both the Republican and the Democratic parties have passed itself by the old method of log rolling and the people have successively repudiated them both. "So long as the tariff is made in politics and log rolling there can be no stability of industrial conditions and business can have no peace. The way to provide stable industrial conditions and business peace is to accept the principle of protection as a fixed national policy and to take the tariff out of politics." Attention to the necessity of prompt action on the Shurlock tariff commission bill, introduced in May, 1913. "Progressive principles are permanent and it now is more than ever evident that the Progressive party today is the necessary organ for their realization."

A Good Scheme In Case of Fire

After the smoke from the fire had cleared away yesterday afternoon a gentleman was heard to offer the following suggestion to remedy the anxiety felt by all, as to the location of the fire. To make arrangements with some drug store in the city to post on their window the fire upon receipt of a phone message telling all details. In this way if everyone knew that the news would be phoned to a certain drug store, they could immediately find out exactly where the conflagration was without running all over the city.

Yesterday's Arrivals At the Chiquola

Among those registered yesterday at the Hotel Chiquola are the following: H. C. Mather, Austell, Ga.; W. W. Braddy, Latta, S. C.; Wm. Grainger, Cincinnati, O.; H. L. Jones, Charlotte, N. C.; P. H. Smoak, Jr., Atlanta, Ga.; J. R. Robinson, Birmingham, Ala.; Jno. A. Helms, New York; H. B. Crosswell, Richmond, Va.; D. D. Hunt, Charlotte, Va.; Tom Stewart, Greenville, S. C.; A. W. Newman, Greenville, S. C.; N. Gist Lamdin, Atlanta, Ga.; A. P. Brown, Atlanta; I. E. Foreman, Orangeburg, S. C.; Jno. G. Evans, Spartanburg, S. C.; S. A. Crawley, Atlanta; J. M. Brown, Greenville, S. C.; Alexander Robb, Charleston, S. C.; W. W. Blake, Hendersonville, N. C.; G. W. Ritter, Philadelphia, Penn.; R. J. Lane, Columbia, S. C.

Mr. Gossett Back From New York

President B. B. Gossett of Riverside and Toxaway, has just returned from a business trip to New York, Baltimore and Philadelphia. Mr. Gossett states that he finds the business men of the North much more optimistic than they have been, and than he expected to find them. Monetary conditions are fast returning to normal, and the outlook from the point of view of the Northern capitalist is hopeful. They express confidence in the stability of the country, and they are of the opinion that the beginning of the new year will find the country about normal, with an era of prosperity about to begin.

INTERURBAN CARS WILL SOON LEAVE THE MAIN STREETS

Will use New Depot at Washington and Academy Sts. Within a Month.

(Greenview News.) It was announced yesterday that the interurban trains will soon cease to come up Washington street and down Main for a block in order to make the stop at the Main street passenger depot, instead, the Piedmont & Northern is rapidly having completed a new passenger depot on Washington street at Academy street and in the near future, very probably by the first of the year, the passengers will board the trains there.

One of the large warehouses, instead of being a warehouse, will contain the tracks and waiting rooms ticket offices and other necessary rooms for the carrying on of this end of the business. The traffic department, now located on Main street, will occupy a part of this building. There is to be a shed, on Academy street and all modern conveniences will be offered to the traveling public.

It was hoped by some of the officials that the change could be made within two weeks; but others less optimistic stated that it would probably be the first of the year before the change is made.

The absence of the cars from Main and Washington streets will create a vacancy in the city life, with the more and more traffic on these streets it is doubtless well that the cars will no longer pass up these streets. The cars are long and in taking the curves practically block the rest of the streets while passing. The trains, however, do not stand long in front of the depot, though there has been some complaint by local merchants that this interferes with them. For a time the cars stopped and unloaded passengers on Washington street, just before arriving upon Main, but some complaint stopped this and for the past several months only the stop in front of the depot has been made.

The trains in the future will come in the back way, as the officials of the company, say meaning as the freight cars now come in, being entirely on the west side of Washington street and going out without ever coming on this street or even up to it. The passenger trains will do the same whenever the change is affected. The matter of taking the cars on the main streets came up before the city council several times; but it is understood that promises were made that the new depot would be built and that the trains would then use the depot on Washington and Academy streets and would no longer be hauled over these streets. With this understanding it is said that the matter was dropped.

Shugrue Gets Better of Freddie Welch

NEW YORK, Dec. 2.—Young Shugrue, the Jersey City Lightweight, outpointed Freddie Welch, of England, the world's champion Lightweight, in a 15-round bout at Madison Square Garden tonight. Shugrue out fought and out boxed Welch in eight of the ten rounds. The third round was even, while Welch and the better of the seventh.

Help the Stomach Digest Your Food

When the stomach fails to digest and distribute that which is eaten, the bowels become clogged with a mass of waste and refuse that ferments and generates poisons that are gradually forced into the blood, causing distress and often serious illness.

Most people naturally object to the drastic cathartic and purgative agents that shock the system. A mild, gentle laxative, positive in its effect and that will quickly relieve constipation is Dr. Caldwell's Syrup Pepsin, sold by druggists at fifty cents and one dollar a bottle. It does not gripe or cramp, but acts easily and pleasantly and is therefore the most satisfactory remedy for children, women and elderly persons. For a free trial bottle write to Dr. W. B. Caldwell, 451 Washington St., Monticello, Ill.

DISCUSS FARMERS TELEPHONE MEETING

INTERESTING MEETING HELD YESTERDAY AT CHAMBER OF COMMERCE

PLAN ENDORSED

Campaign Will Be Launched to Place a Telephone in Every Farm Home Possible.

An interesting meeting was held yesterday morning at the Chamber of Commerce, to discuss the matter of a campaign for the installation of a rural farmers' telephone exchange in every section of the county. This has been a matter in which Secretary Whaley, of the Chamber of Commerce, has been vitally interested, and he seized upon the opportunity while the officials of the Southern Bell Telephone Company were in the city, to hold a conference with them, looking to the arrangement of plans for instituting this campaign. Those present were General Manager M. B. Spier, Charlotte; W. W. Collier, Greenville, district manager and W. S. Beatty, resident manager. Mayor Godfrey was also present and pledged his support to this movement.

Mr. Spier talked most interestingly of the plans of his company in promoting this kind of extension, and gave some used in other places to cause sufficient interest to be taken to interest all the residents of a community. He thinks that a campaign some time next spring would be most effective in this county, and promises to do all in his power to make it a great success. He will have installed an exhibit showing just how such lines are constructed, and the probable cost. He stated that the cost of installation averages about \$17, of which \$13 is for the telephone which must be purchased by the subscriber. The company will construct the line to the limits of the city, and will furnish connection for each line at the rate of a regular business phone. As many as six subscribers will be allowed on each line, and the cost of the service can thus be apportioned among this number, reducing it to about \$8 per year for each subscriber.

Mr. Spier gave some interesting figures as to the number of phones in use now in Anderson. He said there were 805 regular stations in the city, and 303 rural stations in the county. We are the rural phone idea is worked up, as in Alameda County, N. C., the ratio is reversed. In that county there are in the city of Burlington 561 stations and in the county 952, which shows that the farmers are quick to avail themselves of the many uses of the telephone.

AUSTRIANS HOLD VENEVIAN CAPITAL

(CONTINUED FROM PAGE ONE.)

mand of the Yesser region and, like the French, have been strongly reinforced. It is believed that on the first sign of a German movement to the east in considerable force, the Allies will take the offensive in the west. Poincaré Meets George. PARIS, Dec. 2.—President Poincaré, accompanied by Premier Viviani and General Joffre, met King George yesterday morning at the British headquarters. After a long conversation, the king and the president made an automobile tour behind the British lines. They received a great ovation from the troops and the inhabitants of the villages through which they passed. The day was passed with the British troops. In the evening King George gave a dinner at the headquarters to the president, the premier, General French, the Prince of Wales, General Duparre and Colonel Huguet and Penelon. General Joffre was compelled to return to his own headquarters before the dinner. President Poincaré and Premier Viviani left for Paris during the night, arriving here this morning.
